

Realistic Shrimp

The RipTide *Realistic Shrimp* is the perfect shrimp imitation. This lure has an excellent flotation response and a slow and true fall in the water with its wide body and stabilizing legs. Better than live shrimp...swap body colors easily and change the jighead weight for the perfect presentation at any depth.

Realistic Shrimp,
3.5-inch, 6-count Body
Case Pack 72 each (12/6)
Case Dimensions 18 x 14 x 7

Blast! Attractant Spray

Specially formulated Shrimp, Garlic and Crawfish attractants that super bond with soft-plastic lures and slowly release feeding stimulant for an extended amount of time (and many casts). Effective on most gamefish species.
